Resolution in support of creating more LGBTQ Youth Housing

Whereas, nearly 200,000 people under 18 in California will experience homelessness each year with roughly 20% to 40% identifying as LGBTQ; and

Whereas, LGBTQ youth continue to suffer from discrimination in our society, including, but not limited to, discrimination from relatives who render them homeless; and

Whereas, the California Democratic Party has a long tradition of support for the LGBTQ community; therefore

Be it resolved that the California Democratic Party support a comprehensive plan to create shelter space and permanent supportive housing for LGBTQ youth,

Be it further resolved that the California Democratic Party send a copy of this resolution to the Democrats in the CA State Legislature and the Congress.
